About the Tutor

KADAMBARI PHANI KUMAR

CHOREOGRAPHER / DJ,

CATALYST ART FOUNDATION

(Catalyst Dance Crew) :

I use break-dancing and the culture of Hip-Hop to engage, inspire and educate young people from impoverished neighborhoods in Chennai. I began teaching break-dancing to children living on the streets and involved in anti-social behaviour and drugs. Break-Dancing provided them with focus, motivation and confidence and helped them to transform their lives. My vision and commitment is to create a space, where children can enjoy learning, explore their creativity and develop a positive sense of identity and community.
