# GARDEN

MI YEON KIM

*Life is like a garden. It becomes a perfect garden with sufficient sunshine, a fertile land and careful nourishment. I am about to have a fabulous garden in India, a place completely prepared. If I believe in myself, I can achieve everything.*

- MiYeon Kim

MiYeon Kim completed her Major in Food and Nutrition. Not one to rest on her laurels, MiYeon Kim learnt the piano at a young age and now teaches piano to children, pursued stitching of textile products for homes and designed clothes for children. She went on to learn the Cello and also conducted classes in drawing for young children. She learnt and practiced the art of Oriental painting and sketching over a period of three years. She has fallen in love with India and still continues to dream about this beautiful country.

Her motto in life, as in the popular track *Mamma Mia*, is to give life her best shot.

*I have a dream, a song to sing  
To help me cope with anything  
If you see the wonder of a fairy tale  
You can take the future even if you fail  
I believe in angels  
Something good in everything I see  
I believe in angels  
When I know the time is right for me  
I'll cross the stream,  
I have a dream.*
